SIR,

In enclosing herein letter No.A.S.103-35 dated 24th December 1935 from the President, District Board Hassan requesting suspension of the G.O.No.C.2389-34/25-10-35 dated 7th January 1935, I have the honour to state that in case the request of the District Board is complied with, the ~~xxxxxx~~ Village Panchayets whose resources are very slender would be hard put to ~~it to~~ carry on improvements in their local areas. In view of the present conditions of most of the Village Panchayets in this District, I am unable to support the request of the President and am of opinion that the Village Panchayets ought not to be kept out of the funds legally due to them.

I have the honour to be,

Through the Deputy Commissioner, Hassan District.

RECEIVED FROM THE DEPUTY COMMISSIONER. 25 DEC. 1936 HASSAN DISTRICT.

(71 P.)

I have the honor to state that the Deputy Commissioner, Hassan District, has in pursuance of para 2 of G.O.No.I. 5089-42/L.B.98-83-32, dated 7th Jany.36, intimated that a sum of Rs 3169/ is payable to the several Panchayets, as an assignment from the shanaies for the current year.

The Government are aware that the financial condition of this District Board is unsatisfactory and that there are heavy outstanding liabilities. The above measure enhances its liabilities in no small degree. The Committee constituted by the District Board for suggesting ways and means for discharging the liabilities have suggested that the Government may be moved to suspend the operation of this Government order of the 7th January 1936 for a period of five years and the same has received the concurrence of the District Board at their meeting held on the 28th Novr.1936.

As there is a considerable fall from year to year in the annual income of the Board is faced with a serious problem to provide the funds required even for the annual maintenance of District Fund roads in the District, which takes away nearly 60% of the Local Cess realisations. The

Board consider therefore that any curtailment of their resources is certainly calculated to impair the effiencyey of the services already undertaken and that any such assignment from the direct source of revenue of the District Board disables them from meeting their normal demands the more particularly so, in their present financial predicament.

I am, therefore, submitting herewith a copy of their resolution in the matter and request you to be so good as to obtain necessary sanction of Government thereon, as early as possible and communicate the same to me in due course.

It is needless for me to once again lay stress on the point, that as the Board have already committed themselves to an expenditure of Rs 1,20,000/ in connection with the construction of the Bridge at Ramanathapur and any such assignment is bound to react on the slender finances and on this score, it ishoped the recommendation will receive the sympathetic consideration at the hands of Government.

I have the honor to be,
Sir,
Your most obedient servant,

H. B.

President,
District Board, Hassan.

Forwarded with compliments.

No:C.2389/34-35. Office of the Deputy Commissioner, Hassan District, Dated Hassan, the 1st February 1937.

From

Abdul Aziz Khan, Esq., B.A.,
Deputy Commissioner, Hassan District.

To

M. Venkatanaranappa, Esq., B.A.,
Development Secretary to Government,
B a n g a l o r e.

Sir,

In continuation of my letter No.10048-36 (C.2389-34) dated 26th December 1936, re: the apportionment of the realizations from the District Board Shandies, between the District Board and the Village Panchayets, I have the honor to state as follows:-

2. In pursuance of the directions contained in G.O. No.L.5039-42/ L.B. 36-36-21, dated 7th January 1936, on the subject, I obtained detailed statements showing the average income of the Village Panchayets and the average income from and expenditure on account of the Shandies from the Amildars and the President, District Board, Hassan, respectively apportioned the contribution payable by the District Board according to the principle laid down in the Government Order and requested the President, District Board, to adjust the contribution for 35-36 at an early date.

3. In reply, he requested me to fix the contribution after deducting the expenditure incurred by the Board on account of these Shandies and also to intimate the principle on which the contribution had been fixed.

4. This letter was replied to, stating that the expenditure referred to above had been taken into consideration in determining the contribution and that as re: the principle, the contribution had been limited to one-fourth of the income of the Village Panchayets from taxes under Secs 56 and 57 of the Village Panchayet Regulation.

5. Thereupon, the President addressed Government requesting them to intimate the interpretation of the phrase "income of the village Panchayets from other sources". They replied in the in

letter No.L.4731/L.B.86-36-2 dated 6th January 1937, that the phrase meant 'income of the Village Panchayets from sources other than the Shandy income'.

6. Just a few days before the above reply was received, the President addressed Government in his letter No.A3.102-36, dated 24th December 1936, requesting them to suspend the operation of the G.O. of 7th January 1936, referred to above, for 5 years, as the financial condition of the Board was not satisfactory.

7. In reply to another communication received from him to the effect that the expenditure on account of the Shandies had not been taken into consideration in determining the contribution payable by the Board, I said that the expenditure noted in the statement furnished by him represented capital expenditure which had already been incurred and not recurring expenditure and requested him to adjust the contribution early.

8. He has now stated in his letter No.A3. 102-36, dated 19th Jany. 1937, that it is reasonable that all expenditure whether recurring or non-recurring incurred for providing facilities to the Shandies, should be taken into consideration in determining the contribution and has again requested that the statement showing the contribution payable by the Board might be modified. He has also added that he is awaiting the orders of Government on his letter No. A3-102-36, dated 24th Decr. 1936, referred to in para 5 supra.

9. I enclose herein a statement showing the average income from the shandies, the capital expenditure incurred by the Board, the average income of the Village Panchayets and the contribution fixed by me on the principle laid down in the G.O. of 7th January 1936 on the subject. In the case of the remaining shandies, the recurring expenditure, if any, on account of the up-keep of the shandy grounds or the roads leading thereto has been deducted from the gross income and the contribution has been fixed on the average net income from the shandies.

10. The Government Order on the subject lays down that the Hassan District Board shall pay to the Village Panchayets, one fourth of the

net annual realizations from the shandies, the amount being limited to ¼ of the Panchayets' income from other sources. There is no reference to any capital expenditure incurred by the District Board on account of the improvement of the shandy grounds.

11. In these circumstances, I request you to be so good as to instruct the President, District Board to adjust the contribution for 35-36, without further delay, as already requested in my letter of even No., dated 26th December 1936.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.
